**Special Recreation Association of Central Lake County
Alcohol Consumption Policy and Waiver 2019**

Dear Parents/Guardians:

The purpose of this letter is to confirm the Special Recreation Association of Central Lake County’s (SRACLC) policy regarding alcohol consumption by participants during programs. During any adult program in which alcohol is available, participants must be at least 21 years of age, provide one valid picture form of state issued legal identification, and will be limited to two (2) alcoholic beverages. There will be no exceptions to this limit.

It is the responsibility of the parent/guardian to inform SRACLC staff if alcohol can be consumed by the participant. The parent/guardian must also make sure that alcoholic beverages will not interfere with any medications. Please understand we cannot assume liability if permission is granted. We will do whatever is in our authority to assist in the safe and fun participation of all SRACLC participants. Thank you for your understanding and please do not hesitate to contact me if you have any questions or concerns.

Sincerely,

SRACLC

I have read and understand the information as stated above and grant permission for alcohol consumption for the 2019 calendar year:
