

**SRACL COVID-19 Precautions
In-Person Programs**

Who is eligible?

- Free from any COVID symptoms:
Fever, new or worsening cough, shortness of breath, tiredness, generally feeling unwell, sore throat, muscle aches, runny nose, headache, diarrhea, vomiting, loss of sense of smell/taste
- Ability to contain all bodily fluids including saliva and mucus with appropriate personal protective equipment.
- SRACL will maintain "zero tolerance" regarding spitting, biting, licking, and signs of illness. Negative behaviors that involve saliva and/or mucus will result in a week long suspension from SRACL programs.
- All participants deemed appropriate for in-person programs will be reassessed for behavioral related eligibility on the first day of program.

Health Monitoring

- SRACL will have a thermometer on hand if anyone feels they may need it.
- If a person shows signs or symptoms of COVID illness while at a SRACL program, they will immediately be sent home. Parents/emergency contacts must be available for pick up.
- Options for isolation.
 - Space outside, 30 feet from others.
 - Taking others in the group outside, while sick individual remains inside.
 - Small room such as an office, restroom, or supply area.
- After sick individual leaves facility, sanitation will begin.

Positive Test

- All employees, volunteers, and participants will be required to report a positive COVID test to the SRACL office within 24 hours of the test results.
- The applicable location(s) will be sanitized.
- All employees, volunteers, and participants who have had direct COVID exposure at SRACL programs will be notified by SRACL administration within one business day of SRACL's knowledge of exposure.

Isolation Time	If positive for COVID-19 Everyone: <ul style="list-style-type: none">• Isolate at home for five (5) days.• If you have no symptoms or symptoms are resolving after five (5) days, end isolation.• Continue to wear a mask around others for five (5) additional days.• If you have a fever, continue to isolate at home until your fever resolves.
