SRACLCL Board of Directors Meetings

The public is invited to attend SRACLCL Board of Directors meetings. Meetings are held the third Wednesday of each month, unless otherwise posted, at 9:00 a.m. at the SRACLCL Administrative Office, 271 North Archer Avenue, Mundelein. You may call the SRACLCL Office if you would like to receive a meeting schedule and/or agenda.

What is SRACLCL?

SRACLCL is an Association formed by cooperative Member Agencies to provide community based therapeutic recreation services to individuals with disabilities and their families. Member Agencies provide the primary source of revenue through a property tax levy available to park districts and municipalities who have entered into a cooperative agreement or through a general fund.

Purpose

The Special Recreation Association of Central Lake County was formed in 1976 as a cooperative effort of Member Agencies with the purpose to provide year round community based recreation services to individuals with disabilities and their families. Member Agencies provide the primary source of operational revenue through a property tax levy available to park districts and municipalities who have entered into a cooperative agreement, or through a general fund.

Mission Statement

The Special Recreation Association of Central Lake County provides recreation programs and services to individuals with special needs or disabilities, and their families, who reside within the boundaries of Member Agency communities.

Vision Statement

To be a respected leader through the provision of high quality community based recreation experiences that enrich the quality of life for our participants and their families.

Agency Goals

- SRACLCL will implement and maintain a broad base of recreation programming encompassing sports, cultural arts, social, and leisure independence.
- SRACLCL will assist its cooperative Member Agencies and the populations they serve.
- SRACLCL will operate and provide recreation services utilizing sound fiscal management.
- SRACLCL will comply with federal, state, and local mandates.
- SRACLCL will actively market and promote its services to the community.
- SRACLCL will maintain and assist its Foundation and its fundraising efforts.

SRACLC requires all participants to complete a yearly Annual Information Form (AIF). The form provides staff with valuable information which allows SRACLC to conduct its activities in the safest possible manner and to meet the basic needs of participants. Inclusion Services

Inclusion provides an opportunity for people with special needs or disabilities to participate in recreation programming within their community. SRACLC and its Member Agencies work closely together with the participants and their family to facilitate a safe and successful recreational environment for all individuals.

Inclusion assistance is offered to residents of SRACLC's seven member agencies at no additional cost to the family. Inclusion support may come in the form of one or more of the following: program observation, staff training, program adaptations, modified equipment, or additional staff (inclusion aides).

An inclusion aide's role is to provide the appropriate amount of support to promote independence and progress towards program goals for the participant(s). This can include simplification of instructions, additional demonstration, modification of activity, re-direction, behavior management, assistance with safety, or any other reasonable accommodation that may lead to the success of the participant.

Reasons to Request Inclusion Support

- A parent or family member recognizes that a participant would benefit from additional support in a member agency program.
- The member agency staff identifies a need for additional support and communicates this need to the family.

Types of Inclusion Services

- Adaptive Equipment
- Program Modification
- Success Plans & Tool Kits
- Individual Staff Trainings
- Inclusion Aide

Requesting Inclusion Services

When registering for a program with one of SRACLC's member agencies:

- Mark the ADA section on the registration form.
- Once the registration form is submitted, the member agency will reach out to the family to fill out the Participant Information Form.
- The member agency will provide SRACLC with an Inclusion request that contains both program and participant information.
- The family will then be contacted by SRACLC to further discuss the needs of the participant and to set up an observation to decide what type of support is needed.
- SRACLC will work with member agencies to put the necessary accommodations in place.
- Communication between SRACLC, member agency staff, and the family will continue throughout the process.

**For more information, please
contact SRACLC at
847-816-4866.**

Residency Information

Resident: Individuals residing within the legal boundaries of a SRACLC Member Agency (Park Districts of Grayslake, Mundelein, Round Lake Area, Vernon Hills and Villages of Hawthorn Woods, Lake Zurich, Libertyville, and Lincolnshire) are considered “residents” of the Association and pay the in-district fee. Residents receive priority when registering for all programs through the registration deadline.

Non-Resident: Any individual whose primary residence is outside of a Member Agency’s legal boundary is considered a non-resident.

Not sure if you
are a resident?
Call SRACLC
at
847-816-4866.

Non-Resident Policies

The Special Recreation Association of Central Lake County has approved and implemented non-resident guidelines and fees for its programs. The fees are listed for all programs in the brochure. All individuals residing outside of the legal boundaries of current SRACLC member agencies will be subject to these guidelines. SRACLC will no longer seek funding from townships to offset non-resident fees for residents of unincorporated areas. Townships that have previously supported the Association have been notified.

Non-Residents must:

1. For all programs considered “Special Events” pay the indicated fee which has a minimum 25% add on charge to the resident fee.
2. All other areas including “Active Adult”, “Day Camp”, “Special Olympics”, and “Weekly” will be subject to:
 - a. Payment of the yearly non-resident administrative fee which will allow full resident access to all programs for one year from the date of the payment. The administrative fee is \$2,344.00. Non-residents who started payment of the administrative fee before 2019/2020 will be grandfathered in at their current rate.
 - OR
 - b. Pay the indicated fee which has up to a 100% add on charge to the resident fee.
3. SRACLC will continue to accept families who own property or a business that pays real estate taxes to a member agency community as residents. Proof of ownership will be required.
4. Individuals who were considered as non-residents and benefited from Township funding through SRACLC before April 30, 2011 will not be subject to non-resident fees, except for the 25% charge for “Special Events”. These individuals will be “grandfathered” into programs under the same policies/procedures governing their participation during that time period.

If there are any questions, please contact
John Buckner, SRACLC Director, at 847-816-4866.

Financial Aid Fund

The commitment of SRACLC and the member agencies is to provide all individuals considered “residents” the opportunity for participation in SRACLC programs. A Financial Aid Fund has been developed to assist individuals who may be experiencing financial difficulty. All personal information required for financial aid procedures is kept strictly confidential. Per season, a maximum of five (5) programs, plus any Special Olympics training programs and Day Camp, are eligible for assistance. **Financial Aid must be requested in writing each program season. Individuals seeking financial assistance/deferred payments should contact John Buckner for more information regarding the process and deferred payment options.**

About the SRACLC Foundation

Active Adult

Spring into action this season and join our Active Adult Program. Increase your communication skills through socialization prompts and spend time in the community on weekly field trips. Stay active and enjoy other recreational activities like soccer or card games. Increase your daily living skills by participating in activities designed to help you succeed with tasks such as money management, goal setting, and hygiene. **NOTE: The registration window for those currently enrolled in Active Adult is February 6-8, 2023. New member registration opens February 9, 2023 at 9:00am. Please bring a lunch.**

Adult Day is structured around four core elements:

- **Recreation/Leisure**-bowling, swimming, golfing, movies, cultural arts, and more
- **Fitness/Exercise**-daily workouts and sport activities
- **Living Skills**-social etiquette, money management, and personal safety
- **Socialization**-communication skills and cooperative games

Active Adult has four groups. The Blackhawks and Bears are located at our Mundelein site and split according to the ability. The Bulls are located at our Vernon Hills site and is a mixed-ability group. The Fire are located at our Round Lake site and is also a mixed-ability group. Each participant at the Mundelein site will be assigned a group based on an SRACLC assessment. All new participants will be re-assessed after three weeks and every participant will be evaluated annually to assure proper groupings and staffing.

The Vernon Hills and Mundelein sites average 3 field trips a week and are aimed to provide versatile programming to those who enjoy a more active pace. The Round Lake site averages 1-2 field trips a week and provides fun and engaging programs in-house. This is reflected in the cost of the programming.

Participants enrolled in the Blackhawks (Mundelein) must:

- Function within a 1:6 staff to participant ratio
- Be independent in all personal care
- Refrain from any physical and verbal outburst
- Receive and interpret simple directions independently
- Follow and stay with the group independently
- Min/Max: 6/12

Participants enrolled in the Bears (Mundelein), Bulls (Vernon Hills), and Fire (Round Lake) may:

- Require personal care
- Require behavior monitoring
- Require assisted participation for fine motor activities
- Need assistance complying with directions
- Min/Max: 4/8 for 1:3 staff to participant ratio per site
- Min/Max: 0/2 for a 1:1 staff to participant ratio per site

Please contact Becks Taylor at btaylor@sraccl.org with questions regarding Active Adult programs.
