What is SRACLC?
SRACLC is an Association formed by cooperative Member Agencies to provide community based therapeutic recreation services to individuals with disabilities and their families. Member Agencies provide the primary source of revenue through a property tax levy available to park districts and municipalities who have entered into a cooperative agreement or through a general fund.

Purpose
The Special Recreation Association of Central Lake County was formed in 1976 as a cooperative effort of Member Agencies with the purpose to provide year round community based recreation services to individuals with disabilities and their families. Member Agencies provide the primary source of operational revenue through a property tax levy available to park districts and municipalities who have entered into a cooperative agreement, or through a general fund.

Mission Statement
The Special Recreation Association of Central Lake County provides recreation programs and services to individuals with special needs or disabilities, and their families, who reside within the boundaries of Member Agency communities.

Vision Statement
To be a respected leader through the provision of high quality community based recreation experiences that enrich the quality of life for our participants and their families.

Agency Goals
- SRACLC will implement and maintain a broad base of recreation programming encompassing sports, cultural arts, social, and leisure independence.
- SRACLC will assist its cooperative Member Agencies and the populations they serve.
- SRACLC will operate and provide recreation services utilizing sound fiscal management.
- SRACLC will comply with federal, state, and local mandates.
- SRACLC will actively market and promote its services to the community.
- SRACLC will maintain and assist its Foundation and its fundraising efforts.

Inclusion Services
Inclusion provides an opportunity for people with special needs or disabilities to participate in recreation programming within their community. SRACLC and its member agencies work closely together with the participants and their family to facilitate a safe and successful recreational environment for all individuals.

Inclusion assistance is offered to residents of SRACLC’s eight member agencies at no additional cost to the family. Inclusion support may come in the form of one or more of the following: program observation, staff training, program adaptations, modified equipment, or additional staff (inclusion aides).

An inclusion aide’s role is to provide the appropriate amount of support to promote independence and progress towards program goals for the participant(s). This can include simplification of instructions, additional demonstration, modification of activity, re-direction, behavior management, assistance with safety, or any other reasonable accommodation that may lead to the success of the participant.

Reasons to Request Inclusion Support
• A parent or family member recognizes that a participant would benefit from additional support in a member agency program.
• The member agency staff identifies a need for additional support and communicates this need to the family.

Types of Inclusion Services
• Adaptive Equipment
• Program Modification
• Success Plans & Tool Kits
• Individual Staff Trainings
• Inclusion Aide

Requesting Inclusion Services
When registering for a program with one of SRACLC’s member agencies:
• Mark the ADA section on the registration form.
• Once the registration form is submitted, the member agency will reach out to the family to fill out the Participant Information Form.
• The member agency will provide SRACLC with an Inclusion request that contains both program and participant information.
• The family will then be contacted by SRACLC to further discuss the needs of the participant and to set up an observation to decide what type of support is needed.
• SRACLC will work with member agencies to put the necessary accommodations in place.
• Communication between SRACLC, member agency staff, and the family will continue throughout the process.

For more information, please contact SRACLC at 847-816-4866.
Residency Information

**Resident:** Individuals residing within the legal boundaries of a SRACLC Member Agency (Park Districts of Grayslake, Mundelein, Round Lake Area, Vernon Hills and Villages of Hawthorn Woods, Lake Zurich, Libertyville, and Lincolnshire) are considered “residents” of the Association and pay the in-district fee. Residents receive priority when registering for all programs through the registration deadline.

**Non-Resident:** Any individual whose primary residence is outside of a Member Agency’s legal boundary is considered a non-resident.

Not sure if you are a resident? Call SRACLC at 847-816-4866.

Financial Aid Fund

The commitment of SRACLC and the member agencies is to provide all individuals considered “residents” the opportunity for participation in SRACLC programs. A Financial Aid Fund has been developed to assist individuals who may be experiencing financial difficulty. All personal information required for financial aid procedures is kept strictly confidential. Per season, a maximum of five (5) programs, plus any Special Olympics training programs and Day Camp, are eligible for assistance. **Financial Aid must be requested in writing each program season.** Individuals seeking financial assistance/deferred payments should contact John Buckner for more information regarding the process and deferred payment options.

Non-Resident Policies

The Special Recreation Association of Central Lake County has approved and implemented non-resident guidelines and fees for its programs. The fees are listed for all programs in the brochure.

All individuals residing outside of the legal boundaries of current SRACLC member agencies will be subject to these guidelines. SRACLC will no longer seek funding from townships to off-set non-resident fees for residents of unincorporated areas. Townships that have previously supported the Association have been notified.

**Non-Residents must:**

1. For all programs considered “Special Events” pay the indicated fee which has a minimum 25% add on charge to the resident fee.
2. All other areas including “Active Adult”, “Day Camp”, “Special Olympics”, and “Weekly” will be subject to:
   a. Payment of the yearly non-resident administrative fee which will allow full resident access to all programs for one year from the date of the payment. The current administrative fee is $2,344.00 annually, but can be paid in monthly installments of $196.00. Non-residents who started payment of the administrative fee before 2019/2020 will be grandfathered in at their current rate.
   OR
   b. Pay the indicated fee which has up to a 100% add on charge to the resident fee.
3. SRACLC will continue to accept families who own property or a business that pays real estate taxes to a member agency community as residents. Proof of ownership will be required.

If there are any questions, please contact John Buckner, SRACLC Director, at 847-816-4866.
Resident registration will open Monday, May 8, 2023 at 9:00 a.m.
Non-Resident registration will open Thursday, May 11, 2023 at 9:00 a.m.
All registration will close on Monday, May 15, 2023 at 1:00 p.m.

ACCESSIBLE AND INCLUSIVE PLAYGROUND:
SPONSORSHIP OPPORTUNITIES

SRACLC and its Foundation’s fundraising goal is to build an accessible addition to an existing playground to better promote inclusion. We will be working with the Grayslake Community Park District on this project at their Jones Island Park. Enabling children with special needs to play with their peers in a playground setting is invaluable.

Please consider one of the following sponsorships to support a great cause!

Available Play Stations:

Arch Swing - $25,000
Rolling Slide - $15,000
Shade Structure - $10,000
Sensory Spinning Wave Seat - $7,500
Bench - $5,000
Balance Beam - $2,500
**Summer Camp**

Grab your snorkels, leis, and beach chairs! Get ready to dive deep for a trip to the Summer in Paradise themed camp full of games, crafts, and field trips. Camp is offered for two, three-week sessions and has full day and half day options. See you under the sea!

All camps will take a field trip at least once a week in the morning, weather permitting.

- Please send your campers with a lunch, water bottle, swimsuit, towel, and sunscreen every day.
- All PM and Teens in Action campers must be at camp by 12:45 p.m.
- A detailed parent pack including additional forms will be sent to parent/guardian’s email address. The packet can be printed upon request.

**Behavior Expectations**

SRACLCL encourages and promotes the concept of fun for everyone. However, certain rules have been established to ensure the safety and enjoyment of all people involved. SRACLCL participants are expected to demonstrate appropriate behavior during programs. The Association’s basic behavior code insists that participants shall:

- Show respect to each other and staff
- Refrain from using foul or abusive language
- Refrain from inflicting bodily harm to any individual
- Demonstrate respect to equipment and facilities

**New Camper Assessment**

All campers new to SRACLCL will need to set up a participant assessment prior to the start of camp. This is a 30 minute session at the SRACLCL office with the parent/guardian, camper, and recreation staff.

Active Adult

Jump into action this season and join our Active Adult Program. Increase your communication skills through socialization prompts and spend time in the community on weekly field trips. Stay active and enjoy other recreational activities like tennis or card games. Increase your daily living skills by participating in activities designed to help you succeed with tasks such as money management, goal setting, and hygiene. **NOTE:** *The registration window for those currently enrolled in Active Adult is May 8-10, 2023. New member registration opens May 11, 2023 at 9:00am. Please bring a lunch.*

No program July 3-7.

**Adult Day is structured around four core elements:**
- **Recreation/Leisure**-bowling, swimming, golfing, movies, cultural arts, and more
- **Fitness/Exercise**-daily workouts and sport activities
- **Living Skills**-social etiquette, money management, and personal safety
- **Socialization**-communication skills and cooperative games

Active Adult has four groups. The Blackhawks and Bears are located at our Mundelein site and split according the ability. The Bulls are located at our Vernon Hills site and is a mixed-ability group. The Fire are located at our Round Lake site and is also a mixed-ability group. Each participant at the Mundelein site will be assigned a group based on an SRACLC assessment. All new participants will be re-assessed after three weeks and every participant will be evaluated annually to assure proper groupings and staffing.

The Vernon Hills and Mundelein sites average 3 field trips a week and are aimed to provide versatile programming to those who enjoy a more active pace. The Round Lake site averages 1-2 field trips a week and provides fun and engaging programs in-house. This is reflected in the cost of the programming.

**Participants enrolled in the Blackhawks (Mundelein) must:**
