What is SRACLCLC?

SRACLCLC is an Association formed by cooperative Member Agencies to provide community based therapeutic recreation services to individuals with disabilities and their families. Member Agencies provide the primary source of revenue through a property tax levy available to park districts and municipalities who have entered into a cooperative agreement or through a general fund.

Purpose

The Special Recreation Association of Central Lake County was formed in 1976 as a cooperative effort of Member Agencies with the purpose to provide year round community based recreation services to individuals with disabilities and their families, as well as active military and veterans. Member Agencies provide the primary source of operational revenue through a property tax levy available to park districts and municipalities who have entered into a cooperative agreement, or through a general fund.

Mission Statement

The Special Recreation Association of Central Lake County provides recreation programs and services to individuals with special needs or disabilities, and their families, who reside within the boundaries of Member Agency communities.

Vision Statement

To be a respected leader through the provision of high quality community based recreation experiences that enrich the quality of life for our participants and their families.

Agency Goals

- SRACLCLC will implement and maintain a broad base of recreation programming encompassing sports, cultural arts, social, and leisure independence.
- SRACLCLC will assist its cooperative Member Agencies and the populations they serve.
- SRACLCLC will operate and provide recreation services utilizing sound fiscal management.
- SRACLCLC will comply with federal, state, and local mandates.
- SRACLCLC will actively market and promote its services to the community.
- SRACLCLC will maintain and assist its Foundation and its fundraising efforts.

INCLUSION INFORMATION

Inclusion Services

Inclusion provides an opportunity for people with special needs or disabilities to participate in recreation programming within their community. SRACLCLC and its member agencies work closely together with the participants and their family to facilitate a safe and successful recreational environment for all individuals.

Inclusion assistance is made available at SRACLCLC's eight member agencies at no additional cost to the family. Inclusion support may come in the form of one or more of the following: program observation, staff training, program adaptations, modified equipment, or additional staff (inclusion aides).

An inclusion aide's role is to provide the appropriate amount of support to promote independence and progress towards program goals for the participant(s). This can include simplification of instructions, additional demonstration, modification of activity, re-direction, behavior management, assistance with safety, or any other reasonable accommodation that may lead to the success of the participant.

Reasons to Request Inclusion Support

- A parent or family member recognizes that a participant would benefit from additional support in a member agency program.
- The member agency staff identifies a need for additional support and communicates this need to the family.

Types of Inclusion Services

- Adaptive Equipment
- Program Modification
- Success Plans & Tool Kits
- Individual Staff Trainings
- Inclusion Aide-if deemed necessary for safe and successful participation.

Requesting Inclusion Services

When registering for a program with one of SRACLCLC's member agencies:

- Mark the ADA section on the registration form.
- Once the registration form is submitted, the member agency will reach out to the family to fill out the Participant Information Form.
- The member agency will provide SRACLCLC with an Inclusion request that contains both program and participant information.
- The family will then be contacted by SRACLCLC to further discuss the needs of the participant and to set up an observation to decide what type of support is needed.
- SRACLCLC will work with member agencies to put the necessary accommodations in place.
- Communication between SRACLCLC, member agency staff, and the family will continue throughout the process.

**For more information,
please contact SRACLCLC
at 847-816-4866.**

Residency Information

Resident: Individuals residing within the legal boundaries of a SRACLCLC Member Agency (Park Districts of Grayslake, Mundelein, Round Lake Area, Vernon Hills and Villages of Hawthorn Woods, Lake Zurich, Libertyville, and Lincolnshire) are considered “residents” of the Association and pay the in-district fee. Residents receive priority when registering for all programs through the registration deadline.

Non-Resident: Any individual whose primary residence is outside of a Member Agency’s legal boundary is considered a non-resident.

**Not sure if you are a resident?
Call SRACLCLC at 847-816-4866.**

Non-Resident Policies

The Special Recreation Association of Central Lake County has approved and implemented non-resident guidelines and fees for its programs. The fees are listed for all programs in the brochure.

All individuals residing outside of the legal boundaries of current SRACLCLC member agencies will be subject to these guidelines. SRACLCLC will no longer seek funding from townships to off-set non-resident fees for residents of unincorporated areas. Townships that have previously supported the Association have been notified.

Non-Residents must:

1. For all programs considered “Special Events” pay the indicated fee which has a minimum 25% add on charge to the resident fee.

2. All other areas including “Active Adult”, “Day Camp”, “Special Olympics”, and “Weekly” will be subject to:

a. Payment of the yearly non-resident administrative fee which will allow full resident access to all programs for one year from the date of the payment. The current administrative fee is \$2,344.00 annually, but can be paid in monthly installments of \$196.00. Non-residents who started payment of the administrative fee before 2019/2020 will be grandfathered in at their current rate.

OR

b. Pay the indicated fee which has up to a 100% add on charge to the resident fee.

3. SRACLCLC will continue to accept families who own property or a business that pays real estate taxes to a member agency community as residents. Proof of ownership will be required.

If there are any questions, please contact
John Buckner, SRACLCLC Director,
at 847-816-4866.

Financial Aid Fund

The commitment of SRACLCLC and the member agencies is to provide all individuals considered “residents” the opportunity for participation in SRACLCLC programs. A Financial Aid Fund has been developed to assist individuals who may be experiencing financial difficulty. All personal information required for financial aid procedures is kept strictly confidential. Per season, a maximum of five (5) programs, plus any Special Olympics training programs and Day Camp, are eligible for assistance.

Financial Aid must be requested in writing each program season. Individuals seeking financial assistance/deferred payments should contact John Buckner for more information regarding the process and deferred payment options.
