# NOTES FROM EXECUTIVE DIRECTOR

## Celebrating 50 Years!

As we start to celebrate 50 Years of Recreation that's Special, I just wanted to take a little walk back in time, as the saying goes. Many of you may not be aware that SRACLIC was once known as the Northeastern Illinois Special Recreation Association – NISRA. Because there was another special recreation association with the same acronym we changed our name to what it is today. For the ease of writing, I will use our current name even when something may have occurred prior.

Our very first program was a summer day camp in 1976. Throughout the years, SRACLIC has always provided this very important service to fill the gap between school years. It has been a priority and well attended by youth and teens since our beginning.

As with most SRA's, our longest continual running weekly program is Bowling League. Bowling is something that can be enjoyed by any age and skill set. It can be done if you are in a wheelchair or maybe need bumpers to help ensure success. It provides an opportunity for physical fitness as well as a means of socialization. We actually have several people who have been in our High Rollers Bowling League since the 80's – am I right Danny and Julie?

One final long running offering that I wanted to make mention of is Fall Fantasy. This is an example of another program that was started in the mid 1980's and has thrived to this day. It began as a "prom" type environment and featured a live band, sit down meal, and personal photographs commemorating the night. Other SRA's were invited to attend and often we had more than 150 people dancing the night away.

SRACLIC understands the importance of maintaining long time favorites, but also trying things that are fresh so new experiences can be created. We all should Take Time for Fun!

Best Regards,

*John*

# INCLUSION

Please contact Theresa McNamara at [staffing@sraclc.org](mailto:staffing@sraclc.org) with questions regarding Inclusion.

## Inclusion Services

Inclusion provides an opportunity for people with special needs or disabilities to participate in recreation programming within their community. SRACLCLC and its member agencies work closely together with the participants and their family to facilitate a safe and successful recreational environment for all individuals.

Inclusion assistance is made available at SRACLCLC's eight member agencies at no additional cost to the family. Inclusion support may come in the form of one or more of the following: program observation, staff training, program adaptations, modified equipment, or additional staff (inclusion aides).

An inclusion aide's role is to provide the appropriate amount of support to promote independence and progress towards program goals for the participant(s). This can include simplification of instructions, additional demonstration, modification of activity, re-direction, behavior management, assistance with safety, or any other reasonable accommodation that may lead to the success of the participant.

## Reasons to Request Inclusion Support

- A parent or family member recognizes that a participant would benefit from additional support in a member agency program.
- The member agency staff identifies a need for additional support and communicates this need to the family.

## Types of Inclusion Services

- Adaptive Equipment
- Program Modification
- Success Plans & Tool Kits
- Individual Staff Trainings
- Inclusion Aide-if deemed necessary for safe and successful participation.

## Requesting Inclusion Services

When registering for a program with one of SRACLCLC's member agencies:

- Mark the ADA section on the registration form.
- Once the registration form is submitted, the member agency will reach out to the family with the next steps.
- The member agency will provide SRACLCLC with an Inclusion request that contains both program and participant information.
- The family will then be contacted by SRACLCLC to further discuss the needs of the participant and to set up an observation to decide what type of support is needed.
- SRACLCLC will work with member agencies to put the necessary accommodations in place.
- Communication between SRACLCLC, member agency staff, and the family will continue throughout the process.

For more information, please contact  
SRACLCLC at 847-816-4866.

## Financial Aid Fund

The commitment of SRACLCLC and the member agencies is to provide all individuals considered “residents” the opportunity for participation in SRACLCLC programs. A Financial Aid Fund has been developed to assist individuals who may be experiencing financial difficulty. All personal information required for financial aid procedures is kept strictly confidential. Per season, a maximum of five (5) programs, plus any Special Olympics training programs and Day Camp, are eligible for assistance. **Financial Aid must be requested in writing each program season. Individuals seeking financial assistance/deferred payments should contact John Buckner for more information regarding the process and deferred payment options.**

## Residency Information

**Resident:** Individuals residing within the legal boundaries of a SRACLCLC Member Agency (Park Districts of Grayslake, Mundelein, Round Lake Area, Vernon Hills and Villages of Hawthorn Woods, Lake Zurich, Libertyville, and Lincolnshire) are considered “residents” of the Association and pay the in-district fee. Residents receive priority when registering for all programs through the registration deadline.

**Non-Resident:** Any individual whose primary residence is outside of a Member Agency’s legal boundary is considered a non-resident.

## Non-Resident Policies

The Special Recreation Association of Central Lake County has approved and implemented non-resident guidelines and fees for its programs. The fees are listed for all programs in the brochure. All individuals residing outside of the legal boundaries of current SRACLCLC member agencies will be subject to these guidelines.

### Non-Residents must:

1. For all programs considered “Special Events” pay the indicated fee which has a minimum 25% add on charge to the resident fee.
2. All other areas including “Active Adult”, “Day Camp”, “Special Olympics”, and “Weekly” will be subject to:
  - a. Payment of the yearly non-resident Administrative Fee which will allow full resident access to all programs for one year from the date of the payment. The current Administrative Fee is \$4,994.00 approved January 20, 2025. The new fee for 2026 will be approved on January 21, 2026 by the SRACLCLC Board of Directors based on past precedent of setting the total at the highest per person subsidy annually incurred by a Member Agency of the cooperative. If you are interested in a monthly payment plan, please contact the SRACLCLC Office.
  - OR
  - b. Pay the indicated fee which has up to a 100% add on charge to the resident fee.

Active Adult does not require a seasonal registration. After the initial registration, each participant will remain enrolled in the program until a resignation notice is submitted to the SRACLCL Office. The program fees will be withdrawn monthly.

### How to Register

Prior to registering for the program, each individual must schedule an in-take assessment with the Active Adult Manager. This important process helps staff determine the best plan of action for each new enrollee. After the initial assessment, the participant will be enrolled in the desired program and/or on the waitlist. Tours and trial days are also offered prior to the start of the program by appointment only. If interested, contact the SRACLCL office and ask to schedule an Active Adult in-take assessment.

## Dates to Remember

**Non-Resident Registration - Thursday, May 14, 2026 at 9:00 a.m.**

Registrations for programs will not be processed until this date. Random selection will be conducted to determine the order of all registrations received at the SRACLC office through 1:00 p.m., Monday, May 18, 2026. Registration after this date and time will be accepted on a first come, first served basis. If a program exceeds its maximum, a lottery will be done according to registration date. “Residents” receive priority placement for **ALL PROGRAMS**. “Non-Residents” are placed on a waiting list unless specifically stated in the program write-up.

**REGISTRATION DEADLINE -  
MONDAY, MAY 18, 2026 at 1:00 p.m.**

Program cancellation or expansion is considered immediately after the registration deadline.

## Refund Policies and Procedures

A refund request made prior to the stated Registration Deadline will be honored in full. If the Association finds it necessary to cancel a program for any reason, a full or prorated refund will be given based on sessions held. All requests must be submitted through the SRACLC website. Active Adult participants should view the handbook regarding specific policies and procedures. Approved refunds will be kept on file as a “credit” towards future program(s). If possible, the credit may be returned to a credit card or if requested, a check can be produced. Any financial assistance provided will be returned directly to that party.

### Medical Reasons

A full or prorated refund will be given if a medical condition prohibits participation. For any Weekly or Extended program, the program must be dropped in full. No refunds are available for daily absences for any program, including One-Time Special Events.

### Request for Vacation Credit

Vacation credit is not offered for any Weekly or Extended program due to staffing assignments.

### Refund Requests After the Stated Registration Deadline Has Passed

#### Processing Fees

All refund requests will be subject to processing fees of \$5.00 minimum per program for one-time Special Events and Weekly programs. Week-long Camps and Summer Day Camp programs are subject to a \$50.00 processing fee.

#### Pre-Paid Costs

SRACLC often must make arrangements prior to the start of a program that may include the purchase of tickets, promised numbers, and/or necessary supplies. Staffing assignments are also determined to maintain a safe and successful environment. Each of these factors are considered with refund requests made after the registration deadline.

#### One-Time Special Events

A refund minus processing fees and any pre-paid cost(s) made if the written notice is received a minimum of three (3) business days prior to the program date.

#### Weekly/Extended Programs

A prorated refund minus processing fees and any pre-paid cost(s) made if written notice is received a minimum of three (3) business days prior to the start of the second meeting of the program. If the program is deemed to be inappropriate for the participant, processing fees will be waived.

#### Vacation Trips

Specific dates are set for deposits. After each specific date, no refund of any past deposit payment will be considered.

**Payments made with cash or check must be paid in full. Anyone who wishes to set up a payment schedule must contact the SRACLC office and pay with debit or credit.**
