## STATE OF ILLINOIS HOUSE OF REPRESENTATIVES 104TH GENERAL ASSEMBLY

### HOUSE RESOLUTION NO. 979 OFFERED BY REPRESENTATIVE LAURA FAVER DIAS

**WHEREAS**, The members of the Illinois House of Representatives wish to congratulate the Special Recreation Association of Central Lake County (SRACLCLC) on the occasion of its 50th anniversary of providing exceptional, community-based therapeutic recreation services to individuals with disabilities and their families; and

**WHEREAS**, SRACLCLC began its vital mission in 1976 with a summer day camp designed to bridge the gap between school years, with the association first being formed under the name Northeastern Illinois Special Recreation Association (NISRA) before adapting its current name to avoid confusion with a neighboring organization; and

**WHEREAS**, Over the past five decades, SRACLCLC has grown into a respected leader and an indispensable cooperative alliance, supported faithfully by its member agencies, including the Grayslake Community Park District, the Village of Libertyville, the Village of Hawthorn Woods, the Village of Lake Zurich, the Village of Lincolnshire, the Mundelein Park and Recreation District, the Round Lake Area Park District, and the Vernon Hills Park District; and

**WHEREAS**, SRACLCLC provides critical inclusion services at no additional cost to families, ensuring equal opportunity for all individuals to participate at their highest desired level through staff training, program adaptations, and specialized equipment; and

**WHEREAS**, SRACLCLC successfully operates nearly 500 weekly programs, special events, and camps annually, touching lives through enduring traditions, such as its flagship bowling league and the cherished fall dance; and

**WHEREAS**, SRACLCLC has continually expanded its reach to meet modern needs, including establishing the cutting-edge SRACLCLC-Mitsubishi Electric Sensory Room: Illumi\*Nation in 2019 to provide tailored multi-sensory experiences and creating the We Serve program to promote positive living for veterans, active military, and their families through therapeutic recreation; and

**WHEREAS**, SRACLCLC empowers its participants to gain independence, enhance social skills, and embrace wellness through robust initiatives, including Crusaders Athletics, competing in the Illinois Therapeutic Recreation Section and Special Olympics Illinois, the year-round active adult day program, youth and teen programs, and comprehensive leisure education partnerships with local school districts; and

**WHEREAS**, The steadfast commitment, vision, and high-quality services provided by the staff, leadership, and volunteers of the SRACLCLC have truly embodied their motto of "Take Time for Fun!" and profoundly enhanced the quality of life in Lake County; therefore, be it

**RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS**, that we congratulate the Special Recreation Association of Central Lake County (SRACLCLC) on the occasion of its 50th anniversary, commend the association for its outstanding legacy of service to individuals with special needs and disabilities, and extend our sincerest best wishes for its continued success; and be it further

**RESOLVED**, That suitable copies of this resolution be presented to the executive director and the board of directors of SRACLCLC as a symbol of our esteem and respect.

# NOTES FROM THE EXECUTIVE DIRECTOR

## Good-bye and Thank You!

As they say, all good things must come to an end. After 41 years in the field of therapeutic recreation with 36 years as the Executive Director of SRACLC, I will be retiring in November. It has been a great career and a pleasure meeting and working with so many special people.

We have accomplished many things over the years and I won't go into all of them. What I am most proud of are winning the National Gold Medal Award, twice being named an Illinois Distinguished Park and Recreation Accredited Agency, and twice receiving the Illinois Attorney General's Best Practices Award. These recognize SRACLC's excellence in the field of park and recreation programming and management. Simply speaking, it means we are doing things the right way for the participants, families, our team, and as public stewards.

I want to thank the SRACLC Board of Directors for allowing me the freedom to make decisions with flexibility and creative thought. I have always felt that the best job I can do is to hire good people and let them do their jobs. I will certainly miss the participants who always amazed me. Some of whom I first met as young day campers and now are out on the town with our Brew Crew program. Time flies.

Although things are changing, SRACLC is in good hands and the best is yet to come.

Best Regards,

*John*

John A. Buckner, CPRP  
Executive Director

***John, You will be missed!***

***Thank you for your leadership, vision, and dedication.***

***You have been an exceptional Director, not only helping the agency grow, but encouraging people to reach their potential, including staff and participants.***

***Thank you for all you have accomplished!***

# INCLUSION

**Please contact Theresa McNamara at  
staffing@srcllc.org  
with questions regarding Inclusion.**

## Inclusion Services

Inclusion provides an opportunity for people with special needs or disabilities to participate in recreation programming within their community. SRCLC and its member agencies work closely together with the participants and their family to facilitate a safe and successful recreational environment for all individuals.

Inclusion assistance is made available at SRCLC's eight member agencies at no additional cost to the family. Inclusion support may come in the form of one or more of the following: program observation, staff training, program adaptations, modified equipment, or additional staff (inclusion aides).

An inclusion aide's role is to provide the appropriate amount of support to promote independence and progress towards program goals for the participant(s). This can include simplification of instructions, additional demonstration, modification of activity, re-direction, behavior management, assistance with safety, or any other reasonable accommodation that may lead to the success of the participant.

## Reasons to Request Inclusion Support

- A parent or family member recognizes that a participant would benefit from additional support in a member agency program.
- The member agency staff identifies a need for additional support and communicates this need to the family.

## Types of Inclusion Services

- Adaptive Equipment
- Program Modification
- Success Plans & Tool Kits
- Individual Staff Trainings
- Inclusion Aide-if deemed necessary for safe and successful participation.

## Requesting Inclusion Services

When registering for a program with one of SRCLC's member agencies:

- Mark the ADA section on the registration form.
- Once the registration form is submitted, the member agency will reach out to the family with the next steps.
- The member agency will provide SRCLC with an Inclusion request that contains both program and participant information.
- The family will then be contacted by SRCLC to further discuss the needs of the participant and to set up an observation to decide what type of support is needed.
- SRCLC will work with member agencies to put the necessary accommodations in place.
- Communication between SRCLC, member agency staff, and the family will continue throughout the process.

# RESIDENCY & FINANCIAL

**32nd Annual Golf Outing  
Save-the-Date  
Tuesday, September 22, 2026  
Hawthorn Woods Country Club**

## Financial Aid Fund

The commitment of SRCLC and the member agencies is to provide all individuals considered “residents” the opportunity for participation in SRCLC programs. A Financial Aid Fund has been developed to assist individuals who may be experiencing financial difficulty. All personal information required for financial aid procedures is kept strictly confidential. Per season, a maximum of five (5) programs, plus any Special Olympics training programs and Day Camp, are eligible for assistance. **Financial Aid must be requested in writing each program season. Individuals seeking financial assistance/deferred payments should contact John Buckner for more information regarding the process and deferred payment options.**

**\*Residents of Vernon Township should call the SRCLC office for information regarding possible additional financial aid assistance.**

## Residency Information

**Resident:** Individuals residing within the legal boundaries of a SRCLC Member Agency (Park Districts of Grayslake, Mundelein, Round Lake Area, Vernon Hills and Villages of Hawthorn Woods, Lake Zurich, Libertyville, and Lincolnshire) are considered “residents” of the Association and pay the in-district fee. Residents receive priority when registering for all programs through the registration deadline.

**Non-Resident:** Any individual whose primary residence is outside of a Member Agency’s legal boundary is considered a non-resident.

## Non-Resident Policies

The Special Recreation Association of Central Lake County has approved and implemented non-resident guidelines and fees for its programs. The fees are listed for all programs in the brochure. All individuals residing outside of the legal boundaries of current SRCLC member agencies will be subject to these guidelines.

### Non-Residents must:

1. For all programs considered “Special Events” pay the indicated fee which has a minimum 25% add on charge to the resident fee.
  2. All other areas including “Active Adult”, “Day Camp”, “Special Olympics”, and “Weekly” will be subject to:
    - a. Payment of the yearly non-resident Administrative Fee which will allow full resident access to all programs for one year from the date of the payment. The current Administrative Fee is \$5,876.00 and was approved January 15, 2026. This fee is based on past precedent of setting the total at the highest per person subsidy annually incurred by a Member Agency of the cooperative. If you are interested in a monthly payment plan, please contact the SRCLC Office.
- OR
- b. Pay the indicated fee which has up to a 100% add on charge to the resident fee.
3. SRCLC will continue to accept families who own property or a business that pays real estate taxes to a member agency community as residents. Proof of ownership will be required.

Active Adult does not require a seasonal registration. After the initial registration, each participant will remain enrolled in the program until a resignation notice is submitted to the SRACLC Office. The program fees will be withdrawn monthly.

### How to Register

Prior to registering for the program, each individual must schedule an in-take assessment with the Active Adult Manager. This important process helps staff determine the best plan of action for each new enrollee. After the initial assessment, the participant will be enrolled in the desired program and/or on the waitlist. Tours and trial days are also offered prior to the start of the program by appointment only. If interested, contact the SRACLC office and ask to schedule an Active Adult in-take assessment.

**Non-Resident Registration - Thursday, August 13, 2026 at 9:00 a.m.**

Registrations for programs will not be processed until this date. Random selection will be conducted to determine the order of all registrations received at the SRCLC office through 1:00 p.m., Monday, August 17, 2026. Registration after this date and time will be accepted on a first come, first served basis. If a program exceeds its maximum, a lottery will be done according to registration date. “Residents” receive priority placement for **ALL PROGRAMS**. “Non-Residents” are placed on a waiting list unless specifically stated in the program write-up.

## REGISTRATION DEADLINE - MONDAY, AUGUST 17, 2026 at 1:00 p.m.

Program cancellation or expansion is considered immediately after the registration deadline.

## Refund Policies and Procedures

A refund request made prior to the stated Registration Deadline will be honored in full. If the Association finds it necessary to cancel a program for any reason, a full or prorated refund will be given based on sessions held. All requests must be submitted through the SRCLC website. Active Adult participants should view the handbook regarding specific policies and procedures. Approved refunds will be kept on file as a “credit” towards future program(s). If possible, the credit may be returned to a credit card or if requested, a check can be produced. Any financial assistance provided will be returned directly to that party.

### Medical Reasons

A full or prorated refund will be given if a medical condition prohibits participation. For any Weekly or Extended program, the program must be dropped in full. No refunds are available for daily absences for any program, including One-Time Special Events.

### Request for Vacation Credit

Vacation credit is not offered for any Weekly or Extended program due to staffing assignments.

### Refund Requests After the Stated Registration Deadline Has Passed

### Processing Fees

All refund requests will be subject to processing fees of \$5.00 minimum per program for one-time Special Events and Weekly programs. Week-long Camps and Fall Day Camp programs are subject to a \$50.00 processing fee.

### Pre-Paid Costs

SRCLC often must make arrangements prior to the start of a program that may include the purchase of tickets, promised numbers, and/or necessary supplies. Staffing assignments are also determined to maintain a safe and successful environment. Each of these factors are considered with refund requests made after the registration deadline.

### One-Time Special Events

A refund minus processing fees and any pre-paid cost(s) made if the written notice is received a minimum of three (3) business days prior to the program date.

### Weekly/Extended Programs

A prorated refund minus processing fees and any pre-paid cost(s) made if written notice is received a minimum of three (3) business days prior to the start of the second meeting of the program. If the program is deemed to be inappropriate for the participant, processing fees will be waived.

### Vacation Trips

Specific dates are set for deposits. After each specific date, no refund of any past deposit payment will be considered.

**Payments made with cash or check must be paid in full. Anyone who wishes to set up a payment schedule must contact the SRCLC office and pay with debit or credit.**
