NOTE *from the* DIRECTOR

It is with great excitement and gratitude that I introduce myself as the new Executive Director of SRACLC.

For the past 19 years, I have had the privilege of working alongside individuals with disabilities and their families. My career has been dedicated to creating meaningful opportunities, supporting individuals in reaching their goals, and building programs and services that strengthen the connection between people and their communities. Most recently, I have had the honor of serving as the Executive Director of the South West Special Recreation Association (SWSRA) for the past five years serving South Suburb Communities.

My experiences have taught me that, at the heart of every successful organization, are the people it serves. Participants and families are the reason we do what we do, and their voices, experiences, and aspirations should continue to guide the future of SRACLC.

I am excited to build upon the strong foundation that SRACLC has established and lead the organization forward into its next chapter. There is tremendous opportunity ahead, and I look forward to working collaboratively with the SRACLC Board of Directors, our dedicated staff, volunteers, member agencies, foundation and community partners to strengthen our programs, create new opportunities, and continue positioning SRACLC as a leader in special recreation.

I feel incredibly fortunate to be joining an organization with such a talented team and committed Board of Directors. I look forward to listening, learning, and building relationships with those who make SRACLC special, while bringing new ideas and perspectives to the organization. Together, we can build on the successes of the past while creating an exciting future for the individuals and families we serve.

Most of all, I look forward to getting to know you. I am eager to meet our participants and families, hear your stories, learn what makes SRACLC special to you, and understand how we can continue to grow and improve together.

Thank you for welcoming me to the SRACLC community. I am honored to begin this journey with you and excited for all that we will accomplish together.

Warmly,

Nicolette D. Lahman, CPRP
Executive Director

REGISTRATION

New Participant Process

- New families will schedule an Intake Assessment meeting with an SRACLC full-time employee.
- During the Intake Assessment, SRACLC will use the Intake Assessment Form to gather more information about the new participant. This information will allow SRACLC to staff programs appropriately, review medications, seizure plans, and transfer plans.
- Once an Intake Assessment is complete, SRACLC will create an online registration (WebTrac) login for the family and email them an account set-up link. The family will have 24 hours to set up their household on WebTrac. If they do not complete the household registration within that timeframe, a new link will need to be sent from the SRACLC registration.

Online Registration Process

- Log into your WebTrac household account.
- Once registration opens, you can search for your desired programs using the search bar or clicking through the program buttons.
- Select a program by checking the box and click add to cart at the bottom of your screen. You can also click into each program and add to cart from there.
- Prior to registration opening, programs can be added to your household wishlist. This will save time the morning of registration. Once your programs are in your wishlist, move them over to your shopping cart when registration opens.
- After all programs are in your cart, click on your cart. You can then proceed to check out.
- Online registration must be paid in full at time of registration. If you would like to request financial assistance, please email your request to info@sraclc.org after you pay in full. Financial assistance is assessed after the registration deadline and SRACLC will refund your credit card with the assistance that is approved by the Executive Director.

Paper Registration Process

- Paper registration forms can be found at the back of a seasonal program guide or on the SRACLC website.
- Complete the registration in full with the participant name, date, program name, program number, transportation option, and program fee.
- Add all desired programs to the form and total your fees.
- Sign the SRACLC waiver found in the back of the seasonal program guide or on the SRACLC website.
- Registrations may be mailed or dropped off at the SRACLC Administrative Office.
- Payment must be made in full at the time of registration. If financial assistance is requested, fees will be adjusted based on the approval of the Executive Director.
- Payment plans are available under the discretion of the Executive Director.
- Paper registrations will be shuffled and entered randomly upon registration opening.

Registration Procedures

- Season registration will be approximately one week long and give residents the first opportunity to enroll.
- Select programs that have not reached full enrollment will remain available for registration online up until the 15th of the month prior to the program start date.
- Full payment is required at the time of registration, unless prior arrangements have been approved by the SRACLC Executive Director (e.g., financial assistance or payment plans).
- All checks must be made payable to SRACLC.
- Credit cards are accepted and are required to be kept on file.
- Deferred payment or financial aid plans must be approved by the Executive Director.
- Registrations are not processed if a balance remains from a previous season.
- The seasonal waiver must be completed during online checkout or may be found in the back of the seasonal program guide.
- Any program listed on a registration form is processed and charged; tentative registrations are not accepted.
- SRACLC does not send registration confirmations; cancelled checks or credit card statements serve as receipts. Participants may contact the office to confirm registration.
- Phone reservations are not accepted and do not hold a participant's place unless a registration form has been processed.
- Select programs are designed to be installment billing.

Residency Information

Resident: Individuals residing within the legal boundaries of a SRACLC Member Agency (Park Districts of Grayslake, Mundelein, Round Lake Area, Vernon Hills and Villages of Hawthorn Woods, Lake Zurich, Libertyville, and Lincolnshire) are considered "residents" of the Association and pay the in-district fee. Residents receive priority when registering for all programs through the registration deadline.

Non-Resident: Any individual whose primary residence is outside of a Member Agency's legal boundary is considered a non-resident

Non-Resident Policies

The Special Recreation Association of Central Lake County has approved and implemented non-resident guidelines and fees for its programs. The fees are listed for all programs in the brochure. All individuals residing outside of the legal boundaries of current SRACLC member agencies will be subject to these guidelines.

Non-Resident Fees

Non-residents may choose ONE of the following options:

1. Annual Administrative Fee: Pay the annual non-resident Administrative Fee of $5,876 to qualify for resident status including rates and registration dates for one year from the date of payment. This fee was approved January 15, 2026, and is based on the highest annual per-person subsidy incurred by a Member Agency. Monthly payment plans may be available; contact the SRACLC Office for details. This fee is subject to change annually.
2. Program-Specific Non-Resident Fee: Pay the non-resident fee established for the program. Fees may include a surcharge of up to 100% above the resident fee.
3. Property or Business Ownership: Families who own property or a business that pays real estate taxes to a Member Agency community may qualify for resident rates. Proof of ownership is required.

Annual Information Form (AIF)

Participants are required to complete an Annual Information Form (AIF), found on our website at www sraclc.org/forms. The AIF must be completed and filed with the SRACLC office with the completed registration form for a participant to join any SRACLC program or event.

SRACLC requires all participants to complete a yearly Annual Information Form (AIF). The form provides staff with valuable information which allows SRACLC to conduct its activities in the safest possible manner and to meet the basic needs of participants. If you are new to SRACLC or if the agency receives a registration form and does not have an AIF on file, one will be sent to you to complete and return. If at any time the form needs to be updated (change in medication, behavior, etc.) please call the SRACLC office. SRACLC will require a new AIF each January to continue participation in programs. All information is kept strictly confidential and enhances successful participation. Thank you for your cooperation.

Financial Aid Fund

The commitment of SRACLC and the member agencies is to provide all individuals considered "residents" the opportunity for participation in SRACLC programs. A Financial Aid Fund has been developed to assist individuals who may be experiencing financial difficulty. All personal information required for financial aid procedures is kept strictly confidential. Per season, a maximum of five (5) programs, plus any Special Olympics training programs and Day Camp, are eligible for assistance. **Financial Aid must be requested in writing each program season.** Individuals seeking financial assistance/ deferred payments should contact the Executive Director for more information regarding the process and deferred payment options. *Residents of Vernon Township should call the SRACLC office for information regarding possible additional financial aid assistance.

Refund Policies and Procedures

A refund request made prior to the stated Registration Deadline will be honored in full. If the Association finds it necessary to cancel a program for any reason, a full or prorated refund will be given based on sessions held. All requests must be submitted through the SRACLC website. Active Adult participants should view the handbook regarding specific policies and procedures. Approved refunds will be kept on file as a "credit" towards future program(s). If possible, the credit may be returned to a credit card or if requested, a check can be produced. Any financial assistance provided will be returned directly to that party.

Medical Reasons

A full or prorated refund will be given if a medical condition prohibits participation. For any Weekly or Extended program, the program must be dropped in full. No refunds are available for daily absences for any program, including One-Time Special Events.

Request for Vacation Credit

Vacation credit is not offered for any Weekly or Extended program due to staffing assignments.

Refund Requests After the Stated Registration Deadline Has Passed

Processing Fees All refund requests will be subject to processing fees of $5.00 minimum per program for one-time Special Events and Weekly programs. Week-long Camps and Full Day Camp programs are subject to a $50.00 processing fee.

Pre-Paid Costs

SRACLC often must make arrangements prior to the start of a program that may include the purchase of tickets, promised numbers, and/or necessary supplies. Staffing assignments are also determined to maintain a safe and successful environment. Each of these factors are considered with refund requests made after the registration deadline.

One-Time Special Events

A refund minus processing fees and any pre-paid cost(s) made if the written notice is received a minimum of three (3) business days prior to the program date.

Weekly/Extended Programs

A prorated refund minus processing fees and any pre-paid cost(s) made if written notice is received a minimum of three (3) business days prior to the start of the second meeting of the program. If the program is deemed to be inappropriate for the participant, processing fees will be waived. Social programs are not eligible for pro-rated fees or refunds.

Vacation Trips

Specific dates are set for deposits. After each specific date, no refund of any past deposit payment will be considered.
